

Capital Area Community Services, Inc. 30th Annual Walk-for-Warmth

*As we continue to have minimal Home Heating Assistance funding available, it is important to raise local funds to help area families. Although there are no immediate solutions available to resolve this crisis, **you can help by joining us to raise funds to assist your friends and neighbors.** 100% of all funds raised remain in your service area and directly assist those who otherwise may not be able to heat their home.*
